Bernard

Thank you very much for you and your teams good work at Kay House over the last few months and for the outstanding service provided by Arque.

All the work was carried out to a very high standard and Marion is delighted with the results. Considering that the works were carried out in term time, with lessons and exams taking place in surrounding rooms, we were very impressed by the way Arque made sure the inconvenience was minimal, liaised with the department, worked around them and worked in a very tidy and professional manner.

I am always impressed by the commitment and positive approach that your company takes and look forward to working with you again. We would have no hesitation in recommending you for further work at the University.

Regards
